# Don't Be Frightened

But Use a little Common Sense

A Doctor recently announced the belief, and issued a certificate to the effect, that a death was due to cancer caused largely by the excessive use of coffee.

The cause of cancer is not definitely settled in the medical profession, albeit disease is on the increase

Without attempting to decide a question so peculiarly within the special domain of medical science, it is suggested that the

SAFE WAY

to be free from that and other diseases is

AVOID COFFEE AND DRINK

# POSTUM

cb contains no coffee nor other harmful substance, being made of clean, bard wheat, including the outer coat which contains the phosphate of potash grown in wheat, for rebuilding brain and nerve cells.

FOR SALE-Real Estate

How simple domestic problems become when you bave learned to read the classified advertising columns of The Republican and The Times every day and Sunday.

Every department is classified. It does not take more than a few minutes to find a cook, a new apartment, or a man to buy your old clothes.

If The Republican and The Times did not publisb want advertisements every day and Sunday, think of the time that would be wasted by thousands of people who now depend on The Republican and The Times to find for them—what they want.
